ALABAMA NAACP STATEMENT ON CONFIRMATION OF JEFF SESSIONS

The Alabama State Conference of the NAACP acknowledges Senator Jeffrey Sessions confirmation as Attorney General of the United States on the eve of February 8, 2017. The Attorney General has a significant responsibility to the people of the United States to ensure the laws are enforced fairly and that the Civil Rights, and Voting Rights of all citizens are protected. Senator Sessions and his supporters have stated that he is not a racist, that he will be fair in his judgement and will not let the President influence his decision making. The Alabama State Conference of the NAACP will hold him accountable for all these important decisions coming from the Department of Justice.
